

America's Fastest Growing Political Party

POLITICS AS USUAL HAS FAILED

It is clear that both the Democrats and Republicans are committed to the agenda of socialism, elitism, and the New World Order. America needs and deserves a political party that will stand against these entrenched powers that have a stranglehold on American politics.

WHAT DOES THE CONSTITUTION PARTY STAND FOR?

- ◆ Protect the inalienable right to life of all
- ◆ Stop the exporting of American jobs
- ◆ Secure our borders – stop the illegal immigration invasion – reject amnesty
- ◆ Restore and preserve the right to keep and bear arms against any and all infringement
- ◆ Defend the property rights of Americans
- ◆ End Federal Subsidies for and Control of Education and Welfare

WE BELIEVE

America was founded on the principle that there is a Creator God and that all law comes from Him. Our civil government must acknowledge Him and conform its actions to His moral law in order to secure our lives, liberty and property. The U.S. Constitution must be upheld and applied according to the original intent of its framers. Americans will only remain free if they are vigilant and well informed of their Constitutional rights.

CAN A THIRD PARTY WIN?

History Says "Yes" The Republican Party was itself a "third" party in 1854 when it was founded. In 1856 its Presidential candidate was defeated, but just four years later, the Republicans defeated the incumbent conservative party, the Whigs, running a man named Abraham Lincoln. Lincoln, running in a four-way race, won the electoral college and the presidency even though he wasn't on the ballot in nine states and received 38% of the popular vote. In 1992, Bill Clinton won the presidency with only 43% of the popular vote.
